Is your decision final and unappealable? I disagree that it is fair use, and I am willing to explain why it is not fair use to you, but only if you are willing to listen. Now, if I explain why it is not fair use, will you reconsider taking the content down? Or will I simply have no choice but to sue you after you lose your safe harbor?

Hi,

Thanks for contacting us. We've reviewed your report, and it's not clear that the reported content infringes your copyright. In particular, it appears that the content you reported is being used for the purpose of commentary, criticism or parody.

For this reason, we're unable to act on your report.

To learn more about intellectual property, please visit the Intellectual Property section of the Help Center:
